Please note:

*Scheduled meets are in “**bold**” print, and if there is a change in the practice venue it is in “*italics*”. The swimmers will take advantage of the Kenwood pool when the varsity team has an away meet. (Divers are always at McGuire) Be sure to also take note of when there is no practice.

* We will do our best to get as many girls as we can to each meet, however, not all swimmers and divers will be able to participate in every meet.

*Bus times are approximates, we will let your daughter know more exact times prior to each meet!
