Wild Card Team Information

Selecting Teams for the true team state swimming and diving meet.

ADVANCEMENT TO THE TRUE TEAM STATE MEET.

1. The True Team Section Champions will advance to the True Team State Meet.

2. If a True Team Champion (see 1 above) elects not to go to the true-team state meet the "second place" team will advance in its place. We will go no further than the "second place" team for an automatic state birth. All other teams will need to advance through the wild card format. If the "second place" team also decides not to compete at the true-team state meet an extra wild card team spot will be made available.

Wild Card Qualifier

Based upon the results of the True Team Section Meets the Wild Card Committee will determine which teams will be invited to participate in the True Team State Meet as Wild Card Teams. The Wild Card Committee has the autonomy to fill the True Team State Meets field of teams up to twelve teams in each class.
